

Prayer

We look after all aspects of prayer, offering tools and opportunities for people to enrich their prayer life. If you would like to know more, or get involved yourself, please contact a member of the team!

Di Bebb (Team Leader)

We have looked at the various ways in which we use prayer and tried to create different ways for people to pray. These include:

- Creating a little corner for children who can 'light' a candle by decorating a cardboard candle with their prayers and putting it into a stand
- Created various 'How to Pray' leaflets
- Put a world map on display, with new topics each month to encourage people to pray for on-going situations.
- Supplied a box for specific Prayer Requests
- Organised prayer trees, crosses and boards for various times of the year
- Organised a rota for the Prayer Breakfast
- Trained a group of people to be a Healing Prayer Team, offering Healing Prayers once a month at our Whole Parish Worship

Our future plans are to monitor all the different ways in which we use prayer and suggest amendments if they do not seem to be working and to try to take prayer outside our Church into the community.
