

## Pastoral Care

**We look after the pastoral care of our congregation, including administering Home Communion. If you would like to know more, or get involved yourself, please contact a member of the team!**

Rev'd Julie Johnson (Team Leader)

We have worked at becoming more familiar with “who is who” in our church membership by using our church Electoral Roll as a working tool.

We have recognized that we should be having more one-to-one conversations in order to meet with our members on a deeper level and discover where we can support and help them in more realistic, individual and appropriate ways.

We aim to approach this by looking to increase the number of home visits that we make to established members, as well as continuing to make early and on-going contact with newer members of our church family and finding ways to encourage them to become fully integrated into the life, worship and witness of our church.
