## Celebration

I am excitedly looking forward to the 30<sup>th</sup> of June when I will be in Lincoln Cathedral to Celebrate the Ordination to the Diaconate of my friend Carol Jones. Carol was a thirteen-year old school girl when I first met her - she used to take my baby Gareth out in his pram. Her younger daughter, Sarah, is to be married next year in the same church where she was my very first 'Baptism baby'!

I have been privileged to share, and be part of, Carol's journey to faith, which began at that baptism; and has developed over the years through call, response, struggle and commitment. As I celebrate with her and her family and friends on that day, I will be vividly reminded of the vows and

**Window Dedication.** What a wonderful welcome we received in Llandudno when just over twenty of us went to *Holy Trinity* for a service to celebrate the installation of a window that had been created using panels from the west window of St. Augustine's.

promises I made fifteen years ago. We may not always see the faith journey of others through to conclusion, but our own regular church services should always be a time of Celebration as we recall vows and promises that we have made to God about the way we live our lives and serve his people, in order for His Kingdom to come on earth as it is in heaven.

Remember Carol in your prayers along with all others being ordained that day, including Janet Owens and Gareth Robinson, from our own Deanery.

With love in Christ ~ Julie Jxo

## What's News!!

**All The Fun Of The Fair** - we're holding our **Summer Fair** on **Saturday 20<sup>th</sup> July** (12 - 3<sup>pm</sup>). This is one of our biggest fundraising events of the year, and we want to make it better than ever!

We'll need **lots** of help to come up with ideas for new stalls and new ways of raising money, collecting donated items, putting up posters, asking for raffle prizes from local businesses, building a coconut shy, setting up on the day, running the stalls, making and serving refreshments and all that lovely tidying up at the end... and lots, lots more!

Please look out for details of all the different ways that **YOU can get involved**, before, during and after the event. There will be ways for all of us to play a part in welcoming our community and raising lots of money to further God's mission in this parish.

If you'd like to know more, see Pam Robinson, (*Community Team Leader*) in church or contact her through the contacts page on our website.

## First Aid Training

Our *Children and Young People's Team* are delighted to have received a grant from the *Community First Panel* to pay for subsidised *first aid* training for **parents and carers of infants and young children**. We are able to offer some free places, for families on low income.

The Team will be arranging three two-hour sessions of *Basic First Aid Understanding*, covering CPR, choking, and dealing with scalds and burns. There will also be a six-hour training session covering additional emergencies, such as how to react to severe bleeding, treatment and application of hygienic dressings, fractures, ear and eye injuries, hypothermia, allergy recognition and childhood illnesses - including meningitis and febrile convulsions.

**Book now** on our website or by filling in the form in Church. The sessions are in *the Vicarage* on Thursday 11<sup>th</sup> July (6<sup>pm</sup> - 8<sup>pm</sup>) £5, and Saturday 13<sup>th</sup> July (9:30<sup>am</sup> - 3:30<sup>pm</sup>) £10. Fee on arrival.

Young people (Yr 10 and above) are welcome to join us, with parental permission (boost your babysitting potential with a first aid certificate!).

## Introducing Mark Goodwin

I was born and raised Catholic, in Glossop, Derbyshire. My father, Victor, converted to marry my mum, Maureen. I lapsed but returned to faith when I met Shum, my wife. We came to church in the parish nearly 10 years ago after visiting St Mark's. The welcome from everyone was so warm, the Vicar was so 'real' and the sermons so relevant that it just felt like coming home. I felt like the prodigal son.

My role in church is Church Warden and I have been on the PCC since starting at St Mark's, and used to be on Deanery Synod - though I never really understood what was going on!

My favourite toys as a child were homemade bamboo bows and arrows (with suction cups on the end - *safety first!*). When I grew up I wanted to be like my big brother, an astronaut (I was woken at 5<sup>am</sup> on my 7<sup>th</sup> birthday to watch the first man walk on the moon), or an artist - I did become an artist as I'm a graphic designer.

My favourite food is anything Shum cooks me, especially her curries or BBQ belly pork with egg fried rice... *mmm*. To relax I

love to settle down with a cup of tea, a chocolate biscuit and Shum. Or play football on the Playstation with Josh, our son - I can even win once in a while! I like watching documentaries, old films, dramas, live football and Man United winning on MOTD on TV. At present, I am reading *To Kill a Mocking Bird* by Harper Lee. It's about injustice and racial bigotry in 1930s southern USA, as seen through the eyes of a six-year old tomboy.

I would love to visit Bangladesh and East Asia with Shum and Josh, where Shum's mother came from. My dream competition prize is winning lots of money on the Lottery to help all the causes I support (especially church).

The last thing I would give up is my love of my God and my family. If my house was on fire, I would save, apart from Shum and Josh of course, myself! *Things* aren't important. I would like to be locked in church with David and Lucy, both so musical, resourceful and interesting. Also Nan, Charles and Kevin who would be so funny and entertaining until we could get out. I would

like to be remembered for being a good person that people liked. What makes me angry: family misunderstandings; people who aren't understanding in the community; and the lack of fairness in the world.

The greatest influence on my life was meeting Shum and Josh and finding God again. The Bible

passage I would recommend is the parable of the Prodigal Son, because it's one I always remembered from my youth and which became a reality for me as an adult, when I realised God had never forgotten me, even if I'd forgotten him.

I feel closest to Jesus when I am praying out loud with Shum.
