

The Bible

The Bible means a lot to me, it is God's way of living

When I feel reflective

When at peace with myself, looking for answers

Peace, comfort, it gives me a sense of the divine

Strength for today and hope for tomorrow

Revelation of the love of God. Charity. Confusion

Help when I need comfort

Comfort.

Answers. More questions

God's spoken word

Fount of all wisdom. Encouragement

Companion. Inspiration

Life lessons. Life manual

Instructions. Wisdom.

Hope. Hope

Excitement.

A journey somewhere new

As many layers as an onion

Everything.

I read my Bible

Early in the morning when I start my day

Early in the morning, early morning, mornings

Stillness in the morning

Afternoon, mid-afternoon

In the evening

At the end of the day

Anytime

God's word which he speaks to me

Brings me closer to God.
